

Dunlop Destiny Expression of Interest for Rounds 2 and 3 2024

Circuit Excel Racing Association, in conjunction with Dunlop Motorsport, is excited to announce the last two rounds of the Dunlop Destiny Series for 2024 will be at Queensland Raceway in July, with the finale at One Raceway New South Wales, December 6 to 8. The July Round 2 Event will be part of the Shannons Speed Series at QR from the 12 to 14 of July. We are expecting further details and pricing in the next couple of weeks from Motorsport Australia so this information will be passed on once CERA has confirmed the final details.

Through Dunlop's involvement with the category, Dunlop has created a programme to provide an opportunity for aspiring young drivers to gain experience at a higher level through the Dunlop Destiny Programme. The Dunlop Destiny Programme will only be available to drivers who are under the age of 25. The series winner will automatically gain entry to the Dunlop Destiny programme along with several competitors selected by experts in Motorsport. Final details regarding the Dunlop Destiny programme will be available in due course.

Entry Round 2 and 3 is not limited to competitors competing in the Dunlop Destiny programme; it's open to all competitors who are members of an Excel club affiliated with CERA. Those over the age of 25 will be part of the Dunlop Challenge as was ran at Bathurst.

CERA is looking at two grids (Destiny and Challenge) for Rounds 2 and 3 but this will be dependent on the number of Expressions of Interest received.

If you want to compete at Rounds 2 and 3, please complete the form below and return it ASAP. (Don't delay, as you may miss out.)

Expressions of interest are to be submitted to CERA by the events email being events@circuitexcelracing.com.au

Please fill the EOI on the PDF supplied with auto-fill areas provided so that printing of the document is not required.

The Dunlop Destiny and Challenge Events are conducted under the CERA 2024 Dunlop Destiny Series Sporting Regulations. These can be found on the CERA Website.

All EOIs must be submitted by the 7th of June 2024.
