

Supashock CERA Excel Control Suspension Package Purchase Procedure

This is the procedure for those that wish to purchase a new Excel Control Suspension Package or upgrade a legacy set for CERA affiliated Excel state club members.

1. Notify your State Secretary that you wish to purchase a new Excel Control Suspension Package or upgrade an existing legacy set.
2. State Secretary will verify the current membership status and pass on the mobile phone and email details of the member that wishes to make a purchase to the CERA Secretary.
3. CERA Secretary will enter the details of the CERA affiliated Excel state club member's details onto the Supashock database and get a purchase code.
4. Purchase code will be forwarded on to the email address supplied for the CERA affiliated Excel state club member, along with the instruction on how to use the purchase code.
5. CERA affiliated Excel state club member will apply the code with an online purchase via the Supashock website with the link supplied by the CERA Secretary.
6. Supashock will make contact with the Excel state club member by the contact details supplied at the online purchase.
